

InfoSafe 4 Drive eSATA External SATA Multi RAID HD Enclosure *StarTech ID: SAT3540ER*

The InfoSafe 4 Drive External SATA (eSATA) Multi RAID hard drive enclosure provides robust functionality and configurability to create the ideal external RAID storage solution.

Capable of housing up to four SATA removable hard drives at up to 1.5TB capacity per drive (for a total of up to 6 Terabytes of storage), the SAT3540ER connects to a host computer through a single rear eSATA Port Multiplier interface, and offers multiple RAID operating modes that can easily be configured using the included GUI software. The unique hot swappable design with removable hard drive trays allows for quick changing and sharing of hard drives.

Plus, to ensure optimized drive performance, the SAT3540ER also features a built-in 80mm fan, to help provide a cooler operating environment for enclosed drives, which is almost a necessity when using today's high capacity/fast spinning Terabyte hard drives.

Applications and Solutions

- > JBOD Disk Farms
- > Professional grade Audio and Video Editing
- > Reliably managing large business databases
- > Digital/Multimedia file archiving

The StarTech.com

Advantage:**Support and Resources:** Single point of contact for all your questions; exclusive online tools and free live technical support**Save Time Sourcing:** A complete selection of high-demand and hard-to-find products from one vendor**Best Value:** StarTech.com products offer the best combination of features and price**Exclusive Resources:** Complete product information and tools available at www.startech.com

- > Video streaming
- > Large Audio projects
- > DVD Authoring
- > Managing large music & image libraries
- > Secure backup

Features

- > 80mm internal fan for enhanced hard drive cooling
- > Each hard drive bay is hot swappable featuring removable hard drive trays
- > LEDs to detect Hard Drive activity
- > Supports data transfer rates up to 3 Gbps
- > Supports up to four 3.5" SATA I/II 1.5 Terabyte hard drives

Specifications

- > Connector Types 1 - eSATA Plug
- > Product Height 5.75 in [146 mm]
- > Product Length 9.06 in [230 mm]
- > Carton Quantity 4
- > Shipping (Package) Weight 9.99 lb [4.52 kg]
- > Product Weight 120.02 oz [3400 g]
- > Product Width 6.69 in [170 mm]
- > Enclosure Type Aluminum
- > Hard Drive Support Up to 4 x 1.5 Terabyte SATA II hard drives
- > Raid Supported
 JBOD
 RAID 0 (Striping)
 RAID 1 (Mirroring)
 RAID 0+1
 Spanning (Concatentation)
- > Fan 1x 80mm Ball Bearing Fan
- > Power Supply 12V 8.33A (100-240V, 100w)
- > Color Silver
- > OS Support Windows 2000/XP/VISTA; MAC OS 9.x +, Linux 2.4.1.0 +
- > Chipset
- > Enclosure SiI4726
- > Host Card SiI3531
- > General Specifications Comes with a eSATA cable and eSATA to PCI-Express Host Card
